Overarching Meeting Purpose: [NC CASC Advisory Committee](#) (AC) meetings provide space for sharing and learning about natural and cultural resource management challenges, climate adaptation strategies, and climate-related activities, workshops & trainings. AC members' input is used to shape [regional science priorities](#), NC CASC proposal solicitations, and capacity-building initiatives. This input helps us address AC members' climate adaptation challenges with targeted scientific information and products.

9:30	Welcome and Introductions	Aparna Bamzai-Dodson, Assistant Regional Administrator
9:45	"Big Picture" Updates	Aparna Bamzai-Dodson
9:55	Science Portfolio Update (FY 24)	Stefan Tangen, Research Coordinator
10:15	Project Solicitation Planning (FY 25)	Molly Cross, Regional Administrator
10:50	Next Steps	Molly Cross
11:00	Adjourn
